3. *Attachments.*—(*a*) Applications for new attachments to the water mains shall be made to the Executive Engineer, Ratnágiri District.

(*b*) Whenever such attachment is to be made in the Municipal District, the application shall be forwarded through the municipality.

(*c*) An application for a new attachment shall be made by the owner of the property to be supplied, who will be required to sign an agreement promising to pay for the water-supply at the rates sanctioned by Government from time to time, and to observe the rules for the time being in force relating to water-supply.

(*d*) The attachment may be sanctioned by the Executive Engineer, Ratnágiri District, except where the sanction of a higher authority is required by any rule or order.

(*e*) Attachments to water mains will always be made by the Public Works Department.

Note.—'Conditions' mean conditions applied by the Executive Engineer.

(*e*) In case of broken pipes or fittings causing loss of water likely to cause damage to property, after such notice as may be possible has been given.

(*f*) In case of refusal to allow the Executive Engineer, or his authorised agent, to enter on any land or building for the purpose of inspecting service pipes, and fittings, etc., for reading and repairing meters, or for any other work in connection with the water-supply.

(*g*) If the house-owner shall fail to imbed pipes which are exposed or lie above the ground surface or to remove pipes from situations where, in the Executive Engineer's opinion, the water-supply is liable to contamination, in each case within a period of 48 hours from the date of issue of a written notice from the Executive Engineer's office.

(*h*) If any new service pipes shall be laid or any material extension of or alteration to a private water connection pipe, etc., shall be carried out without the previous sanction of the Executive Engineer or by any other person than a plumber licensed by the Executive Engineer.

(*i*) If a pump, or any other contrivance for increasing the supply of water through a pipe, shall be connected to a service pipe.

Note.—Where the supply is given through the municipality, notices and warnings under clauses (*b*), (*c*), (*d*), (*e*), (*g*) will usually be served through the municipality.

8. *Power to open roads.*—The Executive Engineer shall have the power to open any road for the purpose of laying new mains or for any purpose in connection with the distribution of water, and shall be responsible for the efficient repair of the road, or of any drain or structure that has to be opened or removed for the purposes stated.

9. *Tanks.*—Tanks for storing water from attachments to the water mains shall not be fixed without the previous sanction of the Executive Engineer.

10. *Excess over free supply.*—Persons or institutions entitled to free water-supply shall be limited to a definite quantity to be decided by Government in each case, and any excess shall be charged for at four annas per 1,000 gallons.

11. *Liability for charges.*—(*a*) Owners of properties shall be solely responsible for the payment of all charges preferred under these rules. The Executive Engineer may receive payment from an agent or a tenant duly authorised by the owner of the property to make such payment; the owner shall in any case be held responsible in default of payment by such agent or tenant.

(*b*) If any payment due under these rules on a house or property which is sold or whose ownership is transferred, remains in arrears, the supply of water may be stopped until the arrear is paid.

12. *Charge for water wasted or unauthorisedly used.*—In the event of any water being wasted or used in an unauthorised manner, the owner shall be liable to be charged a sum not exceeding three times the rate chargeable for the water estimated by the Executive Engineer to have been wasted, or used in an unauthorised manner.

Note.—'Unauthorised' means without the previous permission of the Executive Engineer.

13. *Penalties.*—Any person committing any of the breaches specified in clauses (*b*), (*c*), (*g*), (*h*), and (*i*) of rule 7 and in rule 9, shall, on conviction by a Magistrate, be liable to the penalty provided in section 61 of the Bombay Irrigation Act, 1879, provided that nothing herein contained shall be deemed to affect the liability of such person to prosecution under any other enactment.

"LEAVE AND LEAVE ALLOWANCES.

No. 1514-*C.S.R.*, dated Simla, the 29th/30th December 1919.

Improvement of the Leave Rules of Officers subject to the European and Indian Service Leave Rules.

RESOLUTION.

Having considered the recommendations in the Report of the Royal Commission on the Public Services in India for the improvement of the leave rules of officers subject to the European and the Indian service leave rules, the Government of India are pleased, with the approval of the Secretary of State, to sanction the following rules :—

(1) Gazetted officers subject to the European service or the Indian service leave rules may in future accumulate privilege leave up to a total of four months.

(2) Officers who take furlough under the European service leave rules may be granted by the authority sanctioning the furlough full average salary as defined in Article 16 of the Civil Service Regulations, subject to the following conditions :—

(*a*) Average salary will be granted during furlough for a total period not exceeding one year in an officer's whole service.

(*b*) When an officer has taken furlough on average salary, he will be treated for all purposes as having taken furlough on half average salary for twice the period actually taken on average salary ; provided that, for the purposes of Article 408 of the Civil Service Regulations, the actual period of furlough during which he has drawn average salary will count as service.

(*c*) The maximum period of furlough on average salary in each separate period of leave is eight months.

(*d*) The period during which an officer may draw during furlough average salary in lieu of the allowances ordinarily admissible should be so regulated that at the termination of the period he will still have six months' furlough due to him : but this condition is not absolute and may be relaxed at its discretion by the authority granting the furlough.

(*e*) The officer's average salary, if paid at the Home Treasury of the Government of India or in a Colony where the standard of currency is gold, will be converted into sterling at the same rate of exchange as ordinary furlough allowances, subject to the condition that it must not exceed the maximum limit of £2,400 a year. Orders as to a maximum rupee limit of allowances when drawn in India will be issued later.

(*f*) Privilege leave to the extent due may be prefixed to furlough on average salary, subject to a maximum of eight months for the two kinds of leave combined, on each occasion of such combination.

(*g*) Furlough on half average salary may be granted in continuation of furlough on average salary or of combined privilege leave and furlough on average salary.

* Republished at page 2983 of Part I of the *Bombay Government Gazette* dated 11th December 1919.

(3) Article 264 and note 2 to Article 826 of the Civil Service Regulations will be cancelled, and all officers will be permitted to take privilege leave or furlough on average salary or both combined preparatory to retirement. Similarly, officers who have passed the age of superannuation will be allowed to take privilege leave preparatory to retirement.

2. These orders will take effect from November 18th, 1919, the date of issue of the Secretary of State's sanction, and officers who were on furlough or combined leave on that date may be permitted to commute into furlough on average salary the furlough portion of the leave which they were then enjoying.

3. The concession sanctioned for officers subject to the European service leave rules in clause (2) of paragraph 1 above will be extended to gazetted officers who come under the Indian service leave rules on conditions which will be announced as soon as possible.

4. The necessary additions and corrections to the Civil Service Regulations will be issued in due course.

URGENT ORDERS.

The Board of Trade, Import and Export Licence Section, announces that, in collaboration with the Department of Overseas Trade, an arrangement has been made whereby firms receiving orders which require immediate acceptance may telegraph details of any such order to the Department of Overseas Trade in order to ascertain whether a licence will be granted for the export of the goods if the order is accepted.

In the event of an applicant being promised a licence he will be enabled to deal with the order straightaway with the knowledge that upon application being made in the proper form to the Export Licence Department the licence will be granted.

The telegrams should be addressed to 'Orders, c/o Advantage, Stock, London.' They should give in each case in addition to the name and postal or telegraphic address of the applicant the quantity and description of the goods comprised in the order and the name and address of the ultimate consignee if the goods are destined for a neutral country. In the case of orders from Allied or British Territory or from Territory in the occupation of troops of the Associated Governments, the consignee need not be stated; and it will be sufficient merely to give the country of destination. A reply of 24 words (1/8) must be prepaid.

Applicants are requested in their own interest to confine their enquiries to orders needing a very urgent decision, since the fewer the enquiries the more promptly can answers be given.

Any subsequent correspondence that is necessary in connection with the telegraphic enquiries should be addressed to the Comptroller General, Department of Overseas Trade (Export Facilities Section), 4, Queen Anne's Gate Buildings, Westminster, S.W.1.
